INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

***The Institutional Official informed the APHIS inspector that due to complications with scheduling and retaining IACUC members, the IACUC has not been able to meet since July 14, 2017. The most recent IACUC reviews of the facility's program for humane care and use of animals and the animal facilities occurred on July 14, 2017.

Inspection of the animal facilities by the IACUC and review of the program for the humane care and use of animals by the IACUC are required at least every six months to ensure that any activities involving animals at this facility are being conducted in a manner to reduce pain and/or distress and they meet the current standards for the species involved.

The IACUC, as an agent of the research facility, shall inspect, at least once every six months, all of the research facility's animal facilities, including animal study areas, using title 9, chapter I, subchapter A- Animal Welfare, as a basis for evaluation. The IACUC must also review the research facility's program for humane care and use of animals, at least once every six months, using title 9, chapter I, subchapter A

This inspection and exit interview were conducted with the Institutional Official.
