- <sup>1</sup> IACUC member names (other than the Chair and veterinarian members) are represented by a member code as allowed under footnote 6 to the *PHS Policy*. Identities of coded member names are readily ascertainable by the institution, maintained by the CDC Animal Care and Use Program Office, and are available to OLAW upon request.
- <sup>2</sup> PHS Policy Membership Requirements: *Veterinarian* - a veterinarian with direct or delegated program responsibility; *Scientist* - a practicing scientist experienced in research involving animals; *Nonscientist* - a member whose primary concerns are in a nonscientific area (e.g. ethicist, lawyer, member of the clergy); *Nonaffiliated member* - a member who is not affiliated with the institution in any way other than as a member of the IACUC, and who is not a member

of the immediate family of a person who is affiliated. This member is expected to represent general community interests in the proper care and use of animals and should not be a laboratory animal user. A consulting attending veterinarian may not be considered nonaffiliated.
