The Government needs 12 rhesus macaques (Indian-origin; male or female) that meet the following specifications.

1. Between the ages of 2.5 and 4.5 years, the Contractor shall provide the date of birth
  2. Tested negative for tuberculosis (TB), Measles, Rubella, tested negative to simian retroviruses (SRV) by PCR, tested negative for antibodies to SRV, simian T-lymphotropic viruses (STLV), and simian immunodeficiency virus (SIV), tested negative for internal and external parasites, antibody titer for measles, tested negative for microbiology (e.g. Shigella, Campylobacter, Salmonella, Yersinia) and special select agents, if any identified by CDC
  3. No macaques participated in or exposed to HIV, SIV, SHIV or other retrovirus studies prior to purchase by CDC.
  4. Have a breeder's statement and/or CITES export permits and declaration forms available.
  5. Maintained in complex social and physical environments for behavioral and medical health.
  12. No prior surgical procedures
  7. Any female macaques shall be confirmed not pregnant
- Note: CDC reserves the right to request further information based on history of pathogens noted in animal's medical records and reserves the right to deny the selection of animals based on the medical history.

The Contractor shall perform the tasks specified below:

Task 1. This task should be initiated within 5 business days of the date of award. In order to provide 12 rhesus macaques to CDC, the Contractor shall identify more than 12 potential macaques (ideally 10 potential macaques) meeting the specifications listed above and provide medical histories (see below for criteria) to the CDC for review and selection.

Medical history and behavioral records/records criteria

1. Country, place and date of origin
2. Animal ID number
3. Date of birth and Sex
4. Most recent weights with dates obtained

5. Dates and result of all TB tests (must be negative)
12. Dates, results, and external laboratory that performed testing for SIV, SRV, STLV, internal and external parasites, microbiology (e.g. Shigella, Campylobacter, Salmonella, Yersinia), must be negative, test for measles antibody titer and special select agents, if any specified/identified by CDC (defined by CDC)
7. Dates and results of Herpes B tests
8. Copies of all clinical records for each animal since birth including any noted behavioral evaluations
9. Pair or group housing history
10. All animals should have a breeder's statement and/or CITES export permits and declaration forms.

Task 1.2 CDC shall select 12 acceptable animals based on review of the provided medical history/records/test results and shall notify the Contractor 1-2 weeks after receiving complete physical exam records/results. Note: CDC reserves the right to request further information based on history of pathogens noted in animal's medical records and reserves the right to deny the selection of animals based on the medical records.

## Task 2. Post selection Testing and Examination

Task 2.1. The Contractor shall perform the following testing and exam ("a" and "b" below), gather results and records (previous testing results and medical history/records should have been already sent to CDC as mentioned above) and send to CDC for further review and acceptability. \*If CDC's COR or veterinarian rejects an animal for any reason after post selection testing and examination and there are no more alternates for substitution, the contractor shall identify substitute candidate NHPs meeting the requirements and provide all documentation for the substituted animal (as specified in this statement of work).

- a. Week 1, testing: start within 5 business days of CDC's notification (described in Task 1.2)
  - First TB Test and (Note: Three (3) tests required in all--two week interval, must be negative)
  - Microbiology by PCR (e.g. Shigella, Campylobacter, Salmonella, Yersinia)
- b. Week 3, testing and exam:
  - i. Second TB Test, two weeks after the first
  - ii. SIV, SRV antibody, SRV PCR, STLV, internal and external parasites to document that the macaques are negative for these pathogens, test for measles antibody titer and any special select agents testing, if any requested/identified by CDC
  - iii. Herpes B testing--provide documentation for status
  - iv. Physical exam requirement-- The Contractor's veterinarian(s) shall perform physical exams (including collection of blood for CBC, Chemistry, etc) and weight determination on the macaques. Medical exam records shall be gathered and sent. (Note: Contractor's Pre-delivery exam is also required 2-3 days prior to delivery date. See task 3.1)

Task 2.2 Week 5 The Contractor shall perform the third TB testing (two weeks after the 2<sup>nd</sup>) and microbiology by PCR (e.g. Shigella, Campylobacter, Salmonella, Yersinia) and provide results to CDC.

Task 2.3 Within 7 business days of receiving the 3<sup>rd</sup> TB and 2<sup>nd</sup> microbiology by PCR (e.g. Shigella, Campylobacter, Salmonella, Yersinia) testing, provide records and results, CDC shall notify or further confirm to the Contractor of post selected/acceptability of the animals and provide confirmation of selected animals. \*If CDC's COR or veterinarian rejects any animals for any reason after the third TB and second microbiology tests and the number remaining is

less than 12, the contractor shall identify additional substitute/alternate candidate NHPs meeting the requirements and provide all documentation and testing for the alternate/substitution animals (as specified in this statement of work). This replacement effort to screen additional animals to bring the total to 12 shall not incur added cost to CDC.

\_\_\_ (10) 52.226-6, Promoting Excess Food Donation to Nonprofit Organizations. (May 2014) (42 U.S.C. 1792).

(d) *Comptroller General Examination of Record* The Contractor shall comply with the provisions of this paragraph (d) if this contract was awarded using other than sealed bid, is in excess of the simplified acquisition threshold, and does not contain the clause at 52.215-2, Audit and Records -- Negotiation.

(1) The Comptroller General of the United States, or an authorized representative of the Comptroller General, shall have access to and right to examine any of the Contractor's directly pertinent records involving transactions related to this contract.

(2) The Contractor shall make available at its offices at all reasonable times the records, materials, and other evidence for examination, audit, or reproduction, until 3 years after final payment under this contract or for any shorter period specified in FAR Subpart 4.7, Contractor Records Retention, of the other clauses of this contract. If this contract is completely or partially terminated, the records relating to the work terminated shall be made available for 3 years after any resulting final termination settlement. Records relating to appeals under the disputes clause or to litigation or the settlement of claims arising under or relating to this contract shall be made available until such appeals, litigation, or claims are finally resolved.

(3) As used in this clause, records include books, documents, accounting procedures and practices, and other data, regardless of type and regardless of form. This does not require the Contractor to create or maintain any record that the Contractor does not maintain in the ordinary course of business or pursuant to a provision of law.

(e)

(1) Notwithstanding the requirements of the clauses in paragraphs (a), (b), (c) and (d) of this clause, the Contractor is not required to flow down any FAR clause, other than those in this paragraph (e)(1) in a subcontract for commercial items. Unless otherwise indicated below, the extent of the flow down shall be as required by the clause—

**FAR 52.204-25 Prohibition on Contracting for Certain Telecommunications and Video Surveillance Services or Equipment.**

As prescribed in 4.2105(b), insert the following clause:

Prohibition on Contracting for Certain Telecommunications and Video Surveillance Services or Equipment (AUG 2019)

(a) Definitions. As used in this clause--

Covered foreign country means The People's Republic of China.

Covered telecommunications equipment or services means--

(1) Telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities);

(2) For the purpose of public safety, security of Government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities);

(3) Telecommunications or video surveillance services provided by such entities or using such equipment; or

(4) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of National Intelligence or the Director of the Federal Bureau of Investigation, reasonably

believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.

Critical technology means--

(1) Defense articles or defense services included on the United States Munitions List set forth in the International Traffic in Arms Regulations under subchapter M of chapter I of title 22, Code of Federal Regulations;

(2) Items included on the Commerce Control List set forth in Supplement No. 1 to part 774 of the Export Administration Regulations under subchapter C of chapter VII of title 15, Code of Federal Regulations, and controlled--

(i) Pursuant to multilateral regimes, including for reasons relating to national security, chemical and biological weapons proliferation, nuclear nonproliferation, or missile technology; or

(ii) For reasons relating to regional stability or surreptitious listening;

(3) Specially designed and prepared nuclear equipment, parts and components, materials, software, and technology covered by part 810 of title 10, Code of Federal Regulations (relating to assistance to foreign atomic energy activities);

(4) Nuclear facilities, equipment, and material covered by part 110 of title 10, Code of Federal Regulations (relating to export and import of nuclear equipment and material);

(5) Select agents and toxins covered by part 331 of title 7, Code of Federal Regulations, part 121 of title 9 of such Code, or part 73 of title 42 of such Code; or

(6) Emerging and foundational technologies controlled pursuant to section 1758 of the Export Control Reform Act of 2018 (50 U.S.C. 4817). Substantial or essential component means any component necessary for the proper function or performance of a piece of equipment, system, or service.

(b) Prohibition. Section 889(a)(1)(A) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (Pub. L. 115-232) prohibits the head of an executive agency on or after August 13, 2019, from procuring or obtaining, or extending or renewing a contract to procure or obtain, any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. The

Contractor is prohibited from providing to the Government any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system, unless an exception at paragraph (c) of this clause applies or the covered telecommunication equipment or services are covered by a waiver described in Federal Acquisition Regulation 4.2104.

(c) Exceptions. This clause does not prohibit contractors from providing--

(1) A service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or

(2) Telecommunications equipment that cannot route or redirect user data traffic or permit visibility into any user data or packets that such equipment transmits or otherwise handles.

(d) Reporting requirement. (1) In the event the Contractor identifies covered telecommunications equipment or services used as a substantial or essential component of any system, or as critical technology as part of any system, during contract performance, or the Contractor is notified of such by a subcontractor at any tier or by any other source, the Contractor shall report the information in paragraph (d)(2) of this clause to the Contracting Officer, unless elsewhere in this contract are established procedures for reporting the information; in the case of the Department of Defense, the Contractor shall report to the website at <https://dibnet.dod.mil>. For indefinite delivery contracts, the Contractor shall report to the Contracting Officer for the indefinite delivery contract and the Contracting Officer(s) for any affected order or, in the case of the Department of Defense, identify both the indefinite delivery contract and any affected orders in the report provided at <https://dibnet.dod.mil>.

(2) The Contractor shall report the following information pursuant to paragraph (d)(1) of this clause:

(i) Within one business day from the date of such identification or notification: The contract number; the order number(s), if applicable; supplier name; supplier unique entity identifier (if known); supplier Commercial and Government Entity (CAGE) code (if

known); brand; model number (original equipment manufacturer number, manufacturer part number, or wholesaler number); item description; and any readily available information about mitigation actions undertaken or recommended.

(ii) Within 10 business days of submitting the information in paragraph (d)(2)(i) of this clause: Any further available information about mitigation actions undertaken or recommended. In addition, the Contractor shall describe the efforts it undertook to

prevent use or submission of covered telecommunications equipment or services, and any additional efforts that will be incorporated to prevent future use or submission of covered telecommunications equipment or services.

(e) Subcontracts. The Contractor shall insert the substance of this clause, including this paragraph (e), in all subcontracts and other contractual instruments, including subcontracts for the acquisition of commercial items.

(End of Clause)
